The Vaccine Disease Racket quotes

Medical Hoaxes Disease Statistics

[Vaccines are the leading cause of disease on the planet. Turn a blind eye to the dangers of bottle feeding, and not using natural immunisation (breastfeeding). Vaccination also leads to the overuse of antibiotics and more disease. Don't forget vaccination started AIDS, a huge industry now.]

[Media mirage Sept 2006] Allergy cure just three years away

"There is always money to be made in developing drugs to try to counteract the problems too much vaccination creates."--- [NVIC May 2006] $1 Billion In Flu Vaccine Contracts

USA
11 million---Food allergies
9 million children under 18 have been diagnosed with **asthma**
3 million children ..... **learning disabled**
4 million children between the ages of 3 and 17 years have been diagnosed with **ADHD**
206,000 Americans under the age of 20 have type 1 diabetes.....
1 in 400 to 500 American children and adolescents are now diabetic.
300,000 American children have juvenile rheumatoid arthritis

"At the highest levels of the medical cartel, vaccines are a top priority because they cause a weakening of the immune system. I know that may be hard to accept, but it's true. The medical cartel, at the highest level, is not out to help people, it is out to harm them, to weaken them. To kill them." Vaccines - Jon Rappoport interview of ex vaccine researcher (2001)

"One sells the vaccines. The other then provides the arsenal of medications to respond to the numerous complications that follow.....Vaccination stimulates the immune system, the body's defence mechanism. Repeated vaccination exhausts the immune system. It gives a false sense of security and, in doing so, it opens the door wide to all kinds of illnesses."-----Guylaine Lanctot, M.D.

"The number of American children suffering from life threatening peanut allergies has doubled in the past five years and the number of Americans with food allergies has risen from 6 million to 11 million. This runs parallel with the doubling of asthma, learning disabilities, ADHD; the tripling of diabetes and a 200 to 7,000 percent increase in autism in every state in the U.S. during the past 20 years. As more and more vaccines are mandated to prevent more and more infectious diseases in early childhood, more and more Americans are stuck on sick. So the pharmaceutical industry produces drugs and vaccines that medical doctors sell to patients to try to "cure" the chronic illness that vaccines and suppression of all infectious disease helped to cause in the first place. What a racket" BL Fisher [NVIC Nov 2004] Food Allergy Vaccine

one American child in 166 has been diagnosed with **autism** spectrum disorder.[....] **9 million** American children under 18 have been diagnosed with **asthma**.....nearly **3 million** children ..... **learning disabled.** ..... **4 million** children between the ages of 3 and 17 years have been diagnosed with **ADHD**.....**206,000 Americans under the age of 20 have type 1 diabetes**..... **1 in 400 to 500 American children and adolescents are now diabetic.** Today, arthritis affects **one in three Americans**, and about **300,000 American children have juvenile rheumatoid arthritis.** Juvenile rheumatoid arthritis used to be so rare that statistics were not kept until its recent rise in children. In the Wake of Vaccines By Barbara Loe Fisher

"When the link between the use of unsafe, mercury-laden vaccine and autism, ADHD, asthma, allergies and diabetes becomes undeniable, mainstream medicine will be sporting a huge, self-inflicted and well-deserved black eye. Then will come the billion-dollar awards, by enraged juries, to the children and their families. I can't wait."--Dr Rimland MD

"At least half of all U.S children have had otitis media by their first birthday. By age 6, 90% have had them. This condition accounts for 26 million visits to physicians every year. In addition, about 1 million children have tubes inserted in their ears every year, at a cost of $1000/operation. Thus $1 billion is spent each year on this operation. Just imagine what it means if this is all, or mostly all, caused by the pertussis vaccine.

This particular "glue ear" type of otitis was not known in American medical practice before the late 1940's or early 1950's -- in other words, the time when the pertussis vaccine was being introduced."--Harris Coulter Ph.D.

"Today, there are about 150 vaccines being worked on, and within the next decade, we could have a flu vaccine for the left nostril and one for one right nostril. Mankind will be used as a pin cushion. For every vaccination, minimal encephalopathy destroys brain cells. As a result, in Germany, there are 1.2 million children who have contracted hyperkinetic syndrome who are then treated with Psychopharmeca (a drug similar to Ritalin) used to calm them down... We have hundreds of thousands of so-called minimal cerebral dysfunction cases and millions of neurodermatitis patients. In Germany, there are millions of people with allergies. We don't just produce minimal encephalopathies in the brain, but we also produce modifications of the genetic code."--Dr Buchwald MD

"A young Australian lady, living in England, organized one of my many seminars there and told me that her father told her "go to Viera's seminars and do not vaccinate your children. All those ear infections, and problems like glue ear, are caused by vaccination". When I asked her who is her father, she said "he is an ENT specialist in Brisbane, Australia". --Viera Scheibner

"BCG is a goldmine for ear, nose and throat specialists."--Dr Jean Elmiger MD

"Striking increases in chronic illnesses have occurred in temporal association with an increase in vaccination rates. Asthma and insulin-dependent diabetes mellitus, causes of lifelong morbidity and frequent premature death, have nearly doubled in incidence since the introduction of many new, mandatory vaccines. There is no explanation for this increase. The temporal association, although not probative, is suggestive and demands intense investigation. Instead of following up on earlier, foreign studies suggesting a greater-than-chance association, the CDC, through vaccine mandates, is obliterating the control group (unvaccinated children)."---Jane Orient MD

"The further I looked into it the more shocked I became. I found that the whole vaccine business was indeed a gigantic hoax. Most doctors are convinced that they are useful, but if you look at the proper statistics and study the instance of these diseases you will realise that this is not so."

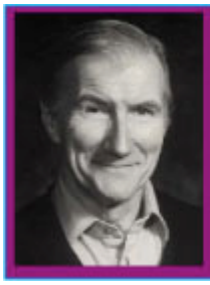
"Researcher's time would be better spent pursuing other culprits, experts added."

". . we recommend that future research be directed towards other lines of inquiry. . that offer more promise."



"Modern drugs and vaccines have proven to be a hoax in attaining health. They have brought false hopes.....The vaccinations are not working, and they are dangerous.. ..We should be working with nature."
